A very well done to those braved the weather tonight!! Although numbers were down, both on riders and helpers, there were no less than five riders Howard, Graeme, Emma, Peter and Terry who gained personal best times.

Iain took the win tonight with a 34.24, George was in second with 34.34 and Howard third with 37.53 but I think everyone deserves a pat on the back tonight just for being there let's hope for better weather next week.
