On a bright crisp Sunday morning 25 riders braved the chilly weather to ride this first early season race.

First place went to George Welfare with a time 22.39 to retain his title from last year, in second place was Michael Davey 23.30 and third was Howard Shaw with 24.20. Ruth Summerford won the Ladies prize with a time of 25.08.

There were two juniors Thomas Bowden 28.13 with a time of and Dan Bartlett with a 30.16.

Next week is the 25 mile race at East Hoathly. We are meeting in the East Hoathly Sports Pavillion at 7.30 am and if this is your **first** 25 please sign on promptly as it is for your own safety that you are not on the course in the latter stages of the race. Please also be advised that **helmets are compulsory** and also a **working rear light**. Look forward to seeing all brave people next week.!!

Today saw the Early Season 25 take place on a bright and slightly chilly morning on the East Hoathly course. Again in first place was George Welfare with a 58.01 so well done George on completing the double in the Early Season races. In second place was Michael Davey with a 1.00.06 and in third was John Cordner with 1.00.51.

The event was marred slightly by a lack of volunteers for marshalling. I reluctantly allowed the race to go ahead but it meant that we had timekeepers doubling up as marshals which is not ideal. Many thanks to George Howard & John for offering to forego their ride to marshal but I don't feel this is an option when people have prepared to ride.

Just to emphasise the point after my marshalling duty whilst on the way back to the HQ I unfortunately witnessed a cyclist being hit by a car at Blackdown RBT. Luckily for him he escaped injury although his bike was wrecked. This could so easily have been one of you riders and without adequate marshals this could cause problems.

Before the Evening Series starts I would like to have a list of people who are willing to marshal so if anyone is able to help please e-mail me at suecoxey@tiscali.co.uk or phone 01323507916 with your contact details. In future I will cancel races if we don't have adequate support.

Dave's Report.

A great turnout for our first race of the new season Evening Series. Some very good times on a pleasant evening with George Welfare & Marc Townsend winning with 21.03, Matt Woods & Iain Brogden second with 21.16 and Howard Shaw & Michael Davey third with 21.59. We had an abundance of helpers tonight, for which many thanks to you all, it does make life so much easier for us as organiser's and also so much safer for riders to have the event well marshalled.

PLEASE REMEMBER REAR LIGHTS ARE COMPULSORY. Tonight some riders were without lights and quite a few were inadequate. Please bear this in mind for next week it is for your own safety !!
A welcome back to the Club to Mark Brittle after a fifteen year absence!

Good weather led to the top five riders doing great times for this time of year. George Welfare was again first with a 21.24 PB, Iain Brogden was in second with 22.00, Michael Davey third 22.02, Matt Woods fourth with 22.06 and Howard Shaw was fifth with a PB time of 22.19. A last minute change of course due to traffic lights on the 14 mile course proved that registering a reserve course really helps. If anyone does notice roadworks or traffic lights on our course's if they could give me a ring on 01323507916 I would be grateful. After last week's abundance of helpers we were again back to struggling for marshals, many thanks to Kim Washington for foregoing his timekeeping tuition to marshal Little Common RBT. Luckily the rain held off for the race tonight but today's bad weather certainly reduced the field. George Welfare continues his fine form and was the winner of the Club Championship with a time of 21.36 so congratulations go to him. Second was Matt Woods with 22.11 and in third place was Howard Shaw with 22.22. The Ladies prize goes to Ruth Summerford with a time of 24.38.

Once again many thanks to everyone who turns up to help as without you the races would not take place.

A much improved evening weather wise saw a bigger field this week and again another win for George Welfare with 31.42 who is also part of seven riders to complete six rides so therefore goes into first place in the Evening Series competition so congratulations go to George. Second place was Matt Woods 32.12 and Iain Brogden was in third 32.50. First ladies place went to the ever improving Ruth Summerford with 35.54.

Next week is the 25 mile Championship at East Hoathly the meeting place is East Hoathly Sports Pavilion with signing on commencing at 6.15 in the hall. Look forward to seeing you all there

Another fine evening for the 25 mile Club Championship with a good turnout of 25 riders and very good times done by many. Once again the winner was George Welfare with a PB of 54.14 which is only 11secs. away from the Club record. In second place was Matt Woods 55.49 and third was John Cordner 56.42. Congratulations go to Charlotte Little with a time of 1.10.58 wins the Ladies prize and special mention goes to David Clements in his first 25 mile race gets a time of 1.02.02. Private time trial participant Peter Morris beat the course record for our Time Trials in a time of 53.41.

Just one thing to mention REAR LIGHTS! Although most of you have them some are inadequate so please try to rectify this as it is compulsory and is for your safety that we enforce this.

Again many thanks to all timekeepers' marshals and helpers who turn out regularly without your help there would be no racing.

Another fine night for riding with again George Welfare in first place with a PB of 21.09, Matt Woods in second with 21.54 and Howard Shaw with 22.15. There were a further eight riders who gained PB's amongst them our two younger riders Dan Bartlett 25.07 and Thomas Bowden 25.47. Sadly we had two riders who had mishaps by falling off their bikes but thankfully no injuries to either of them. A good ride was done by 14 year old Oscar Bell taking part in his first Time Trial in a time of 31.15 so congratulations go to Oscar.

One point to make a rider was seen to overtake a line of traffic that was stationary and we were told narrowly missed knocking over two young girls and as a result of this the Marshal at Little Common RBT had to endure some abuse from a car driver both during and after the race so please take extra care in these situations. See you all next week Dave

Tonight's race was marred by a serious injury to Dan Ellis who unfortunately came of just about a mile or so from the finish. Although the Air ambulance was called and landed close to the scene it was decided to take Dan to Brighton hospital by road, as yet we do not know his condition but as soon as we know anything further we will update everyone hopefully later today. Our thanks must go to Mark Edwards who aborted his own ride to help at the scene so thanks very much Mark. A passing Nurse and also a Doctor stopped and were able to administer help until the Ambulance arrived.

Congratulations go to George Welfare who equalled the Club Course Record with 31.29 and joins Matt Woods and Iain Brogden who have both done that time in previous years.

Don't forget next Monday is the Inter Club event with Lewes Wanderers at East Hoathly signing on at 6.15pm. We would like as many as possible of to rid so please try and be there.

A very low turnout for the first of the usually popular Birling Gap circuit. Matt Woods was back to winning ways in first place with Iain Brogden second and John Cordner third. Gavin Smith's Hill climb record of 5.39 remains intact for another year. The next Birling Gap in two weeks is an optional 1 or 2 lap race you decide what you want to do when you sign on Dave

A low turnout on what was a fairly breezy night, very windy for the climb and I am sure off putting when faced with doing it all again for those who chose to do two laps!! Well done to Iain Brogden who came first in the two lap race also too Mark Edwards and Mike Howard who tied in first place in the one lap race. Thanks to everyone who turns out to help every week without whom there would be no racing.

See you all next week Dave

Another good night for racing with George Welfare, now back to full fitness, in first place Matt Woods in second and Iain Brogden in third. With this win tonight George is now confirmed as the winner of the evening series so congratulations to him.

Next week sees us returning to the Birling Gap circuit for the third and final race on this course. We then have two more 10s on the Pevensey course to round off the season. These last two races start at the earlier time of 6.45 so make a note in your diaries. See you all next week

Tonight saw the end of the trio of races on the Birling Gap circuit and a favourable wind resulted in a win for Matt Woods and PB's for several other riders. Many thank's to all who turned out to assist with the organising it does make my job so much easier when there is plenty of help.

Next week is an earlier start of 6.45 so please make a note to arrive an early for signing on. Dave

Our last race of the season saw the rain hold off, some good times and yet again several PB's. Matt Woods was in first place with Michael Davey second and Stuart Davis third. It was great to see Dan Ellis back doing his second ride since returning from injury. Overall it has been a good season and has been nice to see so many riders improve over the course of the 18 weeks. Once again thanks must go to all the timekeepers, marshals and everyone who turns up on a regular basis to assist with the running of our evening series I could not do it without their help so thank you all. Look forward to seeing you all next year hope you all enjoy the rest of the year Dave
